Mini tool bag w/ hard cover – EMG 2652

NOTE: This bag has strong polyester lifting slings, approved for use in the US.

- This handy bag has one lifting strap for hoisting and handling.
- It has securing holes to secure tools to the bag on the front and back.
- Comes with a hard plastic bottom plate inside the bag to offer weight distribution.
- Comes with an upright plastic insert for easier visibility inside and making the bag stable and upright.
- The upright plastic has small pockets for minor items placed all around the bag.
- To close the bag, fold the top part 3 times and shut the plastic buckle.
- The lifting strap is made from high quality polyester webbing.
- The bottom is attached by velcro and can be replaced, if needed.
