Pressure Gauges

Pressure gauge with plastic case – GESA M0101
Details >

Pressure gauge with carbon steel case – GESA M0201
Details >

Stainless steel pressure gauge with crimped ring, glycerine filled – GESA M0301
Details >

Stainless steel pressure gauge with bayonet closing – GESA M0304
Details >

All stainless steel pressure gauge with crimped ring, glycerine filled – GESA M0305
Details >

All stainless steel pressure gauge with bayonet closing – GESA M0306
Details >

Capsule low-pressure gauge, black steel case – GESA M0401
Details >

Capsule low-pressure gauge, zinc-plated steel case – GESA M0402
Details >

Capsule low-pressure gauge, stainless steel case – GESA M0403
Details >

FONTAŃSKI Marine Supply

Refrigeration pressure gauge, stainless steel case – GESA M0501
Details >

Refrigeration pressure gauge, carbon steel case – GESA M0502
Details >

All stainless steel refrigeration pressure gauge – GESA M0503
Details >

Welding pressure gauge (oxygen, acetylene) – GESA M0601
Details >

Ammonia pressure gauge, steel case – GESA M0701
Details >

All stainless steel ammonia pressure gauge – GESA M0702
Details >

Safety pressure gauge with phenolic case and solid front – GESA M0801
Details >

All stainless steel diaphragm pressure gauge – GESA M0306S101
Details >
