Cargo Stowage & Securing (CSS) Code , 2011 Edition

Cargo Stowage & Securing (CSS) Code , 2011 Edition

This publication presents amendments to the CSS Code, the most recent of which were approved at the eighty-seventh session of the Maritime Safety Committee (12 to 21 May 2010):
– Guidance on providing safe working conditions for securing of containers on deck;
– Revised guidelines for the preparation of the Cargo Securing Manual;
– Amendments to the elements to be taken into account when considering the safe stowage and securing of cargo units and vehicles in ships;
– Amendments to the guidelines for securing arrangements for the transport of road vehicles on ro-ro ships.
