Small tote bag w/ long lifting strap – EMG 2601

Reflection material is placed on the front and back for higher visibility.

- Model 2601 has two long lifting straps.
- A small polyester strap is placed in the corner of the velcro opening for easier access even when wearing heavy gloves.
- This bag has a dual velcro closing mechanism.
- The bottom of the bag is made from a heavy rubber coating (dotted PVC) to extend the lifespan of the bag.
