HERO universal liferaft cradle

The HERO universal cradle (part no. 270070) is a secure mounting solution for liferafts on yachts and leisure boats. It fits all HERO leisure liferafts and many other brands.

- Adjustable – for 4 to 12 person liferafts
- Made of high-quality stainless steel
- Horizontal or vertical mounting: on the pushpit, deck or roof
- Secured with lashing and a pelican hook for quick release
- Compatible with a hydrostatic release unit – automatic deployment if the vessel sinks
- Supplied with mounting kit and instructions
