HERO V-PRO liferaft (fishing vessels)

HERO V-PRO is a compact liferaft for professional fishing vessels under 12 metres operating in coastal waters.

- Capacity: up to 6 persons
- Canopy deploys automatically thanks to an inflatable arch
- Fluorescent yellow canopy – highly visible from a long distance
- Insulated floor
- Folded and vacuum-sealed in a watertight bag, packed in an ultra-compact container
- RINA / M.M.F. (French Merchant Navy) approval, navigation categories 3 and 4

The approval refers to French regulations – contact us to check whether it suits your vessel.
