Life jacket bag – EMG 3203

Two handles are placed on the sides of the bag to ease handling.

- The bag has one long shoulder strap. The strap is adjustable to fit your preferences.
- A large transparent plastic pocket is placed on the inner side of the lid (fits A4 paper). This can be used for certification papers, work instructions etc.
- A small transparent plastic pocket (8x13cm) is placed on the front of the bag (for nametags, ID cards or similar).
- The inside of the bag contains one large padded compartment.
- The bottom of the bag is made with diamond feet to protect and prolong the life of the bag.
- The handles and shoulder strap are made from polyester webbing.
