Round lifting bag – Jumbo – EMG 2073

The lifting straps are made of high quality, double plain nylon.

- A strong upright plastic is placed inside the bag making the bag stable and easy to enter as well as protect against sharp tools and objects.
- The bottom cover is made of PEHD plastic to prolong the bag’s service time and can be easily replaced if needed.
- The top of the bag has a double velcro closing mechanism.
- It has four handles on the sides to ease handling.
