Maritime Piracy Incidents Map

An analysis of all the maritime piracy and armed robbery incidents reported to the IMB Piracy Reporting Centre from 2017 to June 2019.

Schematics are included showing:

- the locations of maritime piracy and armed robbery attacks
- regional statistics including pie charts
- the number of piracy incidents per region
- a breakdown of actual and attempted maritime piracy and armed robbery attacks
- levels of violence against crew and passengers involved in piracy incidents
- the location of the Internationally Recommended Transit Corridor (IRTC)
