# Semmco EEBD – wall storage bracket

Semmco wall bracket for storing Marine 15 EEBD and Industrial 20 EEBD units in a designated, accessible position. The apparatus can be removed quickly when needed.

Manufacturer: Semmco LPS
Compatibility: Marine 15 EEBD and Industrial 20 EEBD
Mounting: wall mounted
Capacity: one apparatus

The condition indicator remains visible while the device is stored, allowing checks without removing the case. This catalogue entry covers the bracket; the EEBD apparatus is a separate product.
