

**Inflatable lifejacket SOLAS
Twin Chamber Fall Arrest 300N
BESTO**

The Besto 300N Twin Chamber SOLAS lifejacket is specially

designed to wear in combination with Fall Arrests. The desing of the jackets allows the safety hooks of the Fall Arrest to be free for attaching the Fall Arrest lines, on the front and back. At the back side the specially shaped Y-style backstrap gives space for the safety hook of the Fall Arrest. Special loops are fitted on the backside of the lifejacket, so the lifejacket can be looped onto the Fall Arrest, for easy donning and perfect fit.

The small and tailored desing gives a perfect body fit. The outside cover is made out of strong synthetic wipe clean, High-visible fabric. This is easy to clean and very durable.
