Features

Ventilated helmet with a pin lock. Excellent ventilation and good field of vision. Comfort band in plastic. Softly rounded design, with vents distributed over a larger area for maximal air flow and comfort for the wearer. Uvicator™ sensor disc indicates when the hard hat has been over-exposed to UV radiation and thus needs to be replaced. The head harness can be rotated 180° and the hard hat can be worn back-to-front to increase the upward field of vision. 30-mm slot for attachment of accessories. Size 53–62 cm. Package containing 20 units.
